5-Day Health and Safety Representatives and Managers/Supervisors Initial Level OHS Training Course

Are your health and safety representatives adequately trained to effectively perform their role?

Do your managers and supervisors understand the obligations imposed by Victoria's Health and Safety Legislation?

This 5-day course is formally approved by WorkSafe Victoria, as a course targeted for elected Health and Safety Representatives, Managers and Supervisors. Five days of intensive training provides participants with a comprehensive knowledge of health and safety legislation and the practical skills to assist in the implementation of an effective health and safety strategy in the workplace. The course has been developed and is conducted by professionals currently involved in assisting industry to effectively manage health and safety.

Topics covered during the course include:

- Health and Safety Legislation and Standards
- OHS Management Systems/Workplace Inspections and Audits
- The Rights and Powers of Health and Safety Representatives
- Effective OHS Committees/Consultation/Issue Resolution
- Hazard Management/Risk Assessment/Incident Investigation
- Chemical Safety/Plant Safety/Psychological Hazards
- Office Safety/Ergonomics/Manual Handling

Who should attend?

Employee health and safety representatives, nominated employer health and safety representatives, managers, supervisors and health and safety committee members. Further details of legal entitlements of health and safety representatives to attend approved training can be found at: www.worksafe.vic.gov.au
