Are your health and safety representatives adequately trained to effectively perform their role?

Do principals and assistant principals understand the obligations imposed by Victoria's Health and Safety Legislation?

Introduction:

This 5-day course is formally approved by WorkSafe Victoria for Health and Safety Representatives and Principals / Assistant Principals. Five days of intensive training provides participants with a comprehensive knowledge of occupational health and safety and the practical skills to assist in the implementation of an effective health and safety workplace strategy. The course has been developed by - and is conducted by - OHS professionals currently involved in assisting employers to manage health and safety effectively.

The topics covered include:

OHS regulatory framework	Employer & employee responsibilities
Rights & powers of HSRs	OHS consultation & issue resolution
Hazard identification & control	Workplace inspections and audits
Common school hazards	Psychological hazards
Incident response and notification	OHS management systems

Who should attend?:

Elected employee health and safety representatives, nominated employer health and safety representatives, principals, assistant principals, and health and safety committee members. Further details of legal entitlements of health and safety representatives to attend WorkSafe Victoria approved training can be found at: www.worksafe.vic.gov.au
