

Ladder Safety in Schools

Course Presenter

Gary Thompson
MAppSc(OHS)

Are your staff members or contractors using a ladder where they may have the potential to fall greater than two metres?

Do your staff members and contractors know the principles of safe ladder use?

As a principal or assistant principal are you aware of the obligations imposed by Victoria's Prevention of Falls Regulations?

When

3rd August, 2010
1:30pm
Duration – 2 hours

The Ladder Safety Course has been developed to educate schools in the safe use of ladders within the school environment. The training will assist your school to comply with aspects of the *Occupational Health and Safety Regulations 2007 – Prevention of Falls*.

Where

ERGOSH
Unit 2 / 75 River Street,
Richmond 3121
Melways: 2H G6

Topics covered during the course include:

- Risks factors associated with ladder use
- Ladder selection
- Safe use of ladders
- Ladder use under the Prevention of Falls Regulations

Registration Fee

\$50 (GST inclusive)

(Includes course notes and tea and coffee.)

Please post your course registration slip to:
