

# Ladder Safety in Schools

## Course Presenter

Gary Thompson  
MAppSc(OHS)

**Are your staff members or contractors using a ladder where they may have the potential to fall greater than two metres?**

**Do your staff members and contractors know the principles of safe ladder use?**

**As a principal or assistant principal are you aware of the obligations imposed by Victoria's Prevention of Falls Regulations?**

## When

**5<sup>th</sup> August, 2009**  
9:30am or 12:30pm  
Duration – 2 hours

A ladder safety training program has been developed to educate schools in the safe use of ladders, in a school environment. The training will assist your school to comply with aspects of the *Occupational Health and Safety Regulations 2007 – Prevention of Falls*.

### Topics covered during the course include:

- Risks factors associated with ladder use
- Ladder selection
- Safe use of ladders
- Ladder use under the Prevention of Falls Regulations

## Where

ERGOSH  
Unit 2 / 75 River Street,  
Richmond 3121  
Melways 2H G6

### Who should attend?

Any person who may be required to use a ladder.

## Registration Fee
